Internship Coverage: January 15, 2026 to May 30, 2026

Worksheets: inference, context clues, guided reading and remediation tasks.

PPT Games: vocabulary relay, grammar challenge, formative checkpoint rounds.

Visual Aids: sentence structure charts, anchor posters, cue cards.

Handouts: lesson summaries, review sheets, home practice tasks.

Others: participation tracker, progress log, reflection slips.

## Implementation Notes:

- Materials were selected based on lesson objectives and learner profile data.
- Reusable templates reduced preparation time while maintaining quality.
- Color coding and icon cues improved learner navigation of instructions.

## Evaluation of Use:

- Worksheet completion rate improved after introducing differentiated versions.
- PPT game sessions increased recitation frequency in low-participation groups.
- Visual aids supported retention during review assessments.

## Improvement Actions:

- Add bilingual cues for key terms when needed.
- Include QR-linked extension activities.
- Archive finalized versions by competency strand.
